A variety of circumstances will affect which Plan is considered as the “Primary Carrier” (ie., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the “Secondary Carrier” (ie., responsible for making the payment to cover the remaining eligible expense).

If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.

If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.
